Recommends that the cash grant of the Mosque be enhanced from 0-9-0 to Rs 5 p.m. and the Mohammedans may be allowed to build a musafirkhana on the vacant site adjoining the Mosque with a grant of free timber, and that the Khaji may be paid Rs 5 p.m.

7 The requests of the Mohammedans are as follows:—

1) That they may be allowed to construct a Musafirkhana on the vacant space adjoining their Mosque.

2) that a wet land may be granted as inam for the upkeep of the mosque.

3) that the cash grant of 0.9.0 to the mosque may be enhanced.

4) that the Khaja may be given a monthly salary of inam lands for his maintenance.

8 The amildar's report and the sub Dy Officer's opinion are clear on the point. The Dy Coll. concurs with the opinion of the sub Dy officer and recommends that

1) a musafirkhana may be allowed to be built in the vacant site adjoining the mosque provided only the extent of 25 feet from the wall of the mosque is utilised for this purpose. And that a few cartloads of free timber may be granted.

This is a matter for the Rev: & Forest Depts to consider.

2) The grant of a wet land for the upkeep of the mosque is a matter for the Rev dept to consider. But it may be noted here that the Policy of Govt. is not to grant such new inams. Recently such a popular & large institution like the Babadan Dattatreya Durga was refused a land grant.

4) The same remarks apply to the grant of a monthly salary to the Khaji. The Dy Comr has not given full information as to whether the Khaji is now getting any salary or has any rent-free lands, or whether he has none, how the salary of Rs 5 p.m. he has recommended can be met &c.

Memorial presented by the Mussalman residents of Sagar to His Highness the Maharaja during his recent visit to the Shimoga District.

---

38 On the occasion of His Highness the Maharaja's recent visit to the Shimoga District, the Mussalman residents of Sagar presented a memorial praying:-

(1) that the tasdik of the Mosque at Sagar may be enhanced,

(2) that the site on which their Musafirkhana stood may not be given to the Hindus for building a temple, and

(3) that the Khazi may be given a monthly salary.

39 2. The Deputy Commissioner, Shimoga District, who was asked to send up a report on the several prayers of the memorialists, says

(1) that the present tasdik of R$0-9-8 is inadequate and may be raised to R$5/- per month,

(2) that the site adjoining the Mosque may, as proposed by the Amildar and concurred in by the Dharmadarsis of the Ganapathy temple, be given to the Mahomedans for building a new Musafirkhana provided that the building does not extend beyond 25 feet towards the north of the wall of the Mosque,

(3) that the grant of some timber for the Musafirkhana may be sanctioned, and

(4) that the Khazi may be given a salary not exceeding R$5/- per mensem.

40 The Deputy Commissioner further states that there are no lapsed grants relating to Mahomedan Institutions in his District and recommends that the extra charge recommended above may be met from the lapsed grants relating to Mahomedan Institutions in other Districts in the State.

41 3. There are no lapsed grants relating to Mahomedan Institutions in the State from which an extra grant of nearly R$10/- per month can be sanctioned for the Sagar Mosque and the Deputy Commissioner has been informed that Government regret their inability either to enhance the

the tasdik of the Mosque or to sanction a cash grant to the Khazi; and that, as regards the free grant of timber for the construction of a Musafirkhana, the Revenue Commissioner may be addressed in the matter.

My dear Sir,

I am directed to return File No.276 dated the 23rd Instant regarding certain requests made to His Highness the Maharaja by the Musalman residents of Sagar during His Highness' tour in the Shimoga District. His Highness considers that the case referred to therein is a deserving one and he would be glad if funds could be provided from any source to meet the small amount required.

I am to point out that in a case like this His Highness would prefer that final decision on requests made to him in "tour" petitions should be left to him. For Government to pass orders and to submit the papers for His Highness' perusal leaves His Highness no initiative whatever and destroys the value of the privilege which his subjects should be given of laying their grievances personally before him.

Yours sincerely,

A.R.Banerji, Esq., C.I.E.

Submitted to His Highness.

...

During the last tour of His Highness the Maharaja in the Shimoga District, the Mussalman residents of Sagar presented a memorial, praying for the grant of a Tasdik to the local Mosque, and for the enhancement of the emoluments of the Khazi and requested that the site on which their Musafirkhana stood might not be given to the Hindus for building a temple.

2. The Deputy Commissioner, who was consulted in the matter, reported that the tasdik grant of the Mosque might be increased from Rs.7-4-0, to Rs.60 per annum, the Khazi given pay at Rs.5 per mensem, the site referred to by the memorialists given to them for the construction of a new Musafirkhana, provided that it does not extend beyond 25 feet towards the North of the wall of the Mosque and that some timber might be granted free to them for constructin the Musafirkhana.

3. The Deputy Commissioner further reported that there were no lapsed grants relating to Muhamadan institutions in his District, wherefrom the extra charge involved could be met and suggested that the charge might be met from the lapsed grants of Mahomedan institutions in the other Districts in the State. As there were no such lapsed grants in the other Districts from which the extra grant could be met the Deputy Commissioner was informed that Government regretted their inability either to enhance the tasdik or to sanction a cash grant to the Khazi and that as regards the free grant of timber for th construction of a Musafirkhana, he might address the Revenue Commissioner.

4. The papers where then submitted to His Highness the Maharaja.

5. The papers were returned with demi-official letter No.63 dated the 25th August 1920, from the Private Secretary to His Highness, who stated that His Highness "would be glad if funds could be provided from any source to meet the small amount required."

6. I beg to submit that the Khazi at Sagar gets an allowance of Rs.7-4-0 per annum, while the Mosque is not endowed with any Muzrai Grant.

7. There are some seventy Khazis in the State, of whom twenty receive more than Rs.7-4-0, seventeen Rs.7-4-0, twenty-two Rs.7-3-0 and the remaining eleven less than Rs.7-3-0 per annum.

8. If the allowance of the Khazi in question is enhanced and a fresh grant sanctioned to the Mosque as recommended by the Deputy Commissioner, similar requests are sure to be made by the other Khazis in the State - about fifty in number, getting Rs.7-4-0, or less per annum and by various institutions which are not now in receipt of any Government help and I submit that this will lead to a lot of difficulty and embarrassment.

9. Recently the Khazis of Bangalore and Chitaldrug represented that their emoluments might be enhanced and they were told that it was not possible to comply with their request. The Khazi of Maddagiri who gets a monthly allowance of Rs.1-3-0, has since represented that his allowance may be raised.

10. In these circumstances it is respectfully submitt that either the general question of increasing the allowa

allowances of Khazis all round should be taken up as a whole or the question dropped for the present.

11. The grant of the site in question is one which the Deputy Commissioner may himself dispose of.

12. The papers are resubmitted for the gracious orders of His Highness.

Sir,

Adverting to your letter No. 3187/Muz.578-19-2 dated 26th March 1920 calling for a detailed report in connection with the petition presented by Mir Imamuddin and other residents of Sagar Taluk to His Highness the Maharaja of Mysore, I have the honour to forward herewith the report of the Amildar with the Sub Division Officer's opinion on the questions raised in the petition

2. As regards the first point mentioned in your letter there is no doubt that the grant now obtaining is inadequate being Rs Rs. 0-9-8 and it may be enhanced to about Rs. 5/- as suggested by the Sub Division Officer.

3. In regard to the second request the proposal made by the Amildar and concurred in by the Dharmadarsies of the Ganapathi --- Temple that the site adjoining the mosque may be given to the --- Mahamadans for building a new Musaferkhana provided the building does not extend beyond 25 feet towards the north of the wall of the Mosque seems reasonable and may be approved. A grant of few timber required for the Musaferkhana may also be sanctioned

4. As for the payment of salary to the Khaji, I am of opinion that he may be given a salary not exceeding Rs. 5/- per mensum.

I have the honour to be,

Sir,

Your most obedient servant,
